

Congratulations, you have been selected to represent **Ashton Swimming Club** during the forthcoming season. You will see your name below as a member of one or more of the squads listed. As a member of the squad(s), it is **your responsibility** to make yourself available for the appropriate matches. The actual teams will be selected from the lists below and all swimmers informed 1 to 2 weeks prior to the match.

Please note that being a member of the squad does not necessarily mean that you will be selected to swim in every match. As you will note from several age groups, there is a lot of competition for places!
