Blast from the Past

The Ashton Swimming Club website, as well as being a great source of information for current and future members, also seems to attract occasional visitors with past family connections. The photograph below (hopefully it will photocopy well) was sent to me by David Rattee , whose grandmother, Monica Askew is on the back row, third from the right.

He says, "Monica was born in Ashton in 1901 and was the daughter of Henry and Susannah Askew. Henry Askew had a tailors shop in Ashton. "

He is guessing that the photo must have been taken sometime during that period 1914/1918, which coincided with the First World War. He presumes that the lady at the centre of the picture is the Swimming Instructor.

There may be other people from Ashton who are able to identify their ancestors in this picture. Current Ashton Swimming Club members may be interested in the style of swimming costumes. The embroidery of the ASC letters looks to be home sewing looking at the variations in lettering and location on the costumes.

David is very interested in dating the photo and if we can identify anyone else in the photograph! If you have any information to help identify anyone else in the photograph and help date it, please email Sue Broadbent ...ictmarathon@googlemail.com
